

being as alive

being as alive
as I seemingly
am

the least
I can do
for you

the most
loving
and the
kindest
no
doubt

would
be
to do
now
exactly
what
I certainly
would do

were I
to
be

dead

with
former self
transformed

into inanimate
or other
animate
being

and

no longer
simply

me

and
being

so

and such

as I possibly

then

would

be

perhaps

also

resting

as

wholly

and completely

at peace

in such

spirit world

as I happened

or happened not

to be

in

and being

other

me

as I happened to
or happened not to

haunt

to

then

finally

and forever
cease

and
never again
to trouble
your poor
dear

soul

with any such
atoms
as
me
