

## important things

there are many  
important  
critical things  
you *won't ever know*  
things there is no  
trail to  
no clues no evidence  
no revelation  
to

there are many  
important  
critical things  
you *can know*  
things there *is*  
a trail to  
things there are  
clues evidence  
and revelations  
to
