

of how close

When I think of how close  
we came to not being  
... together  
many years ago  
and just now,  
                    of how close  
we came to not knowing  
each other  
many years ago  
and just now,  
                    how close  
                    to not growing  
together  
years ago  
and now,  
                    close  
                    to flowing  
apart  
by years  
and moments  
now,

I'm humbled by  
chance  
and love  
and the bath of time  
that holds me  
                    and you  
together.
