

about my

about my beard and hair

ain't hidin nothin  
to not be *clippin*  
and *scrapin*

. . . this is me

a natural human

my head and face hair  
are holy

connecting me to all  
that is and all  
that was  
and all  
that will be

feel sorry  
for everyone  
who does not know  
they should not  
meddle

with such fundamental  
aspects  
of

themselves
