

seven dance posters

there is a light
which only unfurls
dance with your soul
when you dance

if you dance
with your body
you will kiss your soul

deep
forgiveness and joy
in the simple moments
of our
dance

the wisdom of soul is change

deep
understanding
in the simple moments
of our
dance

the wisdom of soul is change

come
dance
with your
wild spirit
soul

you will never
know
let yourself dance
unless you try
you are the hidden jewel

get up
get out
get movin'
