

everything is free

we think we own things
games
with money, bits of paper
words
but we really don't
own a thing
everything absolutely
everything
has a soul
and souls are free
spirit flows through
each
connects us all
that's the way it is
we really don't own
a thing
so welcome
you are part of
everything
you who has everything
in you
flowing
in
around
and through
everything
absolutely everything
has a soul
and everything
is
free
