

# grand canyon colors

holy browns  
and holy tans

red browns

oranges  
that can live nowhere else

and reds  
tans and browns  
dotted with greens  
blended with green

red brown  
brown  
and tan  
shadows

cliffs  
and  
strata  
everywhere

and way out  
soft browns  
subtle red tans  
a wide stripe  
of gray white  
then darker brown  
topped by  
dark points

evergreens

white clouds  
all above
